What is in the SRMNCAH national policy document repository?

The WHO sexual, reproductive, maternal, newborn, child and adolescent health (SRMNCAH) national policy document repository includes over **6,500 documents** from approximately **140 countries** submitted through the 2018-2019 and 2023 rounds of the WHO SRMNCAH Policy Survey

- The documents were submitted by national survey respondents and were organized and catalogued by the WHO Department of Maternal, Newborn, Child and Adolescent Health and Ageing

The types of documents in the repository include national laws, policies, guidelines, operational guidance, strategic plans, etc. related to SRMNCAH

Search filters allow users to find documents under various health topics by country, document type, year of publication, language, etc.

How to access the SRMNCAH national policy document repository
METHOD A: Direct link to the repository (*preferred method*)

Step 1. Go to https://platform.who.int/data/maternal-newborn-child-adolescent-ageing/national-policies?selectedTabName=National%20policy%20document%20repository

Step 2: Use the dropdown filters on the left to search for documents.

See next slide for more details.

How to navigate the document repository – METHOD A

Use advanced search

1. Use **dropdown menus** to filter for custom searches
   a. Click on arrow on right of search bar to open menu
   b. Select item from the dropdown menu
   c. Unselect an item by pressing the "x" in front of the item
2. Click Search
3. **Download** individual files from Results

For a new search, repeat the steps above and remember to click Search again to see the filtered results to the right.
